

# Your gift will never be forgotten

Gifts from wills to WaterAid help ensure that we can continue to transform lives through safe water and sanitation projects for generations to come.

Every kind of gift is hugely appreciated – a gift no matter how small can bring about big change. Many people choose to leave a residuary gift (a share of an estate) as it usually maintains or increases in value over time.

Including a gift to WaterAid in your will is easy. If you're making a will for the first time, all you need to do is give your solicitor our registered address and charity numbers which you'll find below.

If you already have a will, please complete the codicil below (which will be read in conjunction with your will) and give it to your solicitor – they will do the rest. WaterAid doesn't need to know if you've decided to make a gift in this way but if you'd like to tell us, we'll ensure you're properly thanked for your generosity.

If you have any questions about leaving a gift in your will to WaterAid or would like to talk about our work, contact Claire Barrett, or another member of our Supporter Care Team, on **020 7793 4594** or **claireb@wateraid.org**.
