

Knit a river

WaterAid has joined forces with I Knit to create an innovative campaigning tool to demand water and toilets for all. Instead of a traditional petition, I Knit and WaterAid will stage a unique spectacle to grab world leaders' attention. WaterAid and I Knit are collecting blue knitted squares that will be sewn together to create a knitted river. Campaigners will carry the river at future WaterAid campaigning events and it will grow and grow.

Instructions: Blue squares should be 15x15cm. The number of stitches to cast on depends on the thickness of the yarn and needles used. With double knitting yarn and 4mm needles cast on 28 stitches. Knit in garter stitch until the piece measures 15cm. If you use bigger needles simply cast on fewer stitches. The squares should be as near 15cm as possible.

There is only rule: it must be blue!

Send this form with your blue square to:
