Did you know that 4,000 children die every day simply because they do not have safe water to drink or access to a toilet?

WaterAid is working to change this – our safe water, sanitation and hygiene projects have changed over 13 million peoples' lives. Find out more by inviting a WaterAid speaker to give a **free** talk to your school, church or community group.

WaterAid's volunteer speakers deliver free, illustrated talks across the UK. To request a talk please visit **www.wateraid.org/speakerrequest** or call **020 7793 4594**.
