

## **INVITATION FOR BIDS FOR CONSTRUCTION OF WATER SUPPLY SYSTEM AND WASTE MANAGEMENT FACILITY AT NTCHISI DISTRICT HOSPITAL**

WaterAid is an International Non-Governmental Organisation established in 1981. Our Vision is a world where everyone everywhere has safe water, improved sanitation, and good hygiene. Our mission is to transform lives of the poorest and most marginalised people by improving access to safe water, sanitation, and hygiene. WaterAid has operated in Malawi since the year 2000 and supports service delivery, advocacy and influencing programmes of work in both rural and urban areas. These programmes include work in Salima, Mzimba, Machinga, Nkhotakota, Kasungu, Karonga, Rumphu, Dowa, Balaka and Chikwawa Districts and Lilongwe City.

With support from Water Aid UK, WaterAid Malawi has funding from the Wimbledon Foundation to implement a 3year **150 Challenge- WASH in HCFs Ntchisi** Project in Ntchisi from 2020 to 2023. The project is targeting four HCFs in Ntchisi District (Ntchisi DHO, Kangolwa, Nkhuzi and Khuwi health centres). The project aims to address the inadequate and poorly managed WASH infrastructure as well as the weak hygiene and Infection Prevention Control (IPC) practices in HCFs. The Internal Procurement Committee (IPC) therefore, invites sealed bids from eligible bidders who are registered as Civil and Building Contractors, for the provision of construction works as specified below;
