

## Volunteering with WaterAid at UK festivals in 2018

WaterAid has some exciting volunteering opportunities this year at multiple UK festivals!

All our festival activities onsite are based on our work in safe water, sanitation and hygiene, so they help us raise awareness of these global issues as well as vital funds.

### Do you have what it takes?

We're looking for a team of amazing volunteers who are hard-working, enthusiastic and full of energy! Our volunteers work come rain or shine to deliver vital services at UK festivals, helping to give festivalgoers the best experience onsite, whilst raising awareness and funds to support WaterAid's mission - to make safe water, decent toilets and good hygiene normal for everyone, everywhere by 2030!

We're looking for people to join the team who are prepared to get stuck in - cleaning toilets or showers, litter-picking and to chatting to the public all with a smile on their face!

Whatever team you're in, you'll need to be prepared to **talk to people** about our work and encourage them to support WaterAid.

## Festivals and Volunteer Roles

This summer we'll have around 100 volunteer places available across these festivals:

**Camp Bestival**, Lulworth Estate, Dorset  
Thursday 26 – Sunday 29 July 2018

**Bestival**, Lulworth Estate, Dorset  
Thursday 2 – Sunday 5 August 2018

**Boomtown Fair**, Hampshire  
Thursday 9 – Monday 12 August 2018

**Green Man**, Brecon Beacons, South Wales  
Thursday 16 – Sunday 19 August 2018

**Shambala**, Northamptonshire  
Thursday 23 – Sunday 26 August 2018

Our **shifts run from Thursday morning through until Monday morning** (most of them finish Sunday evening), so **you need to camp onsite and be available for your shifts during this time**. You can arrive onsite from Wednesday evening (Thursday evening for Boomtown) with prior agreement from the WaterAid festivals team. You can stay onsite until Monday morning or leave after your last shift if this is on a Sunday. There are no overnight shifts, and rotas are confirmed with volunteers before the festival. On the application form you will be asked about when you can arrive/leave.

If your application is successful, you'll be assigned one of the following roles which you'll undertake throughout the festival. If you are offered a place at more than one festival, you may be carrying out a different role at each of the festivals.

Please read the descriptions below carefully, as you will need to state which roles you'd be prepared to do on your application form. It's **really important that on your application you only say yes to roles you are prepared to carry out onsite**. We try our best to put you in a team with your friends/partner/family members, and there is a space on the application form to let us know who they are.

### Good Loos

This year we will be bringing a new, unique toilet experience to UK festivals. Providing environmentally friendly, sustainable and memorable compost toilets complete with a chill out area with mirrors and sofas. We will need enthusiastic volunteers who are up for the challenge of keeping the Good Loos the cleanest toilets on site! You will also be taking donations from festival-goers in exchange for using the loos, and talking about WaterAid and the importance of clean water, decent sanitation and good hygiene.

## Eco Shower Cleaning

We have another exciting new activity this year which we'll be delivering at Green Man Festival. Our Eco Shower Cleaning volunteers will be helping to keep the showers clean and tidy. We'll need enthusiastic volunteers who ready to get stuck in and keep the showers sparkling and clean!

*Available at Green Man only.*

## Litter Picking/Recycling

We will be taking along a team of litter pickers to be part of the festival's recycling team. Armed with gloves and bin bags, you'll be helping keep the festival site tidy and ensuring as much as possible is recycled. Shifts can be early morning, so we will need volunteers who aren't afraid to get up early and get stuck in!

*Available at Boomtown Fair*

## Camping

All WaterAid volunteers must camp in the area specified by WaterAid, which is restricted to festival crew, with access to taps and toilets. All WaterAid volunteers need to provide their own tents and camping equipment. As space at the campsite is limited, we ask that volunteers bring as small a tent as you can manage with, or share a bigger tent with other WaterAid volunteers (i.e. 2 people in a 4 person tent) – we want to make sure all our volunteers have enough space for their tent!

Gazebos and live-in vehicles are not permitted.

## Food

WaterAid volunteers will either be provided with vouchers to use at the crew café, or an expense allowance towards a meal on the days you have a shift at the festival(s). We will confirm the individual arrangements for food and expenses with you for each festival you volunteer at.

## Our commitment to confirmed volunteers

All volunteers will be required to undertake training before attending their first festival with WaterAid this summer. We want to make sure that you go onsite feeling confident, prepared and part of a passionate and committed team. Training will be completed online. Our Festivals team will be on hand to support you with this and answer any questions or discuss areas of our work or your role in more detail. If you think you may have any difficulties completing training online, please contact us at [festivals@wateraid.org](mailto:festivals@wateraid.org) / 020 7793 4594 when applying to discuss this with us.

Please note; **your place will be withdrawn if you do not complete training on time.**

The training is a great opportunity for you to learn more about WaterAid, and the role you will be carrying out onsite. We hope it will give you a chance to:

- Understand more about WaterAid and our festival activities.
- Understand your role at the festival.
- Feel inspired to talk about WaterAid's work.
- Be prepared for arriving onsite.

- Know what to do in an emergency.

## Refundable Deposit

If you're offered a volunteer place this year, you'll need to pay a refundable deposit of £50 online when accepting your volunteer place (not on application). If you are offered a place at more than one festival, you will need to carry out this process for each place you accept.

Volunteers who adhere to the volunteer agreement will be able to claim their deposit back after each festival, or donate the £50 to WaterAid. You must let us know either way no later than 30 days after the end of each festival. After that date all remaining deposits for that festival will be treated as donations.
