

Christmas fundraising ideas for your group

This Christmas, your group can help bring clean water, decent toilets and good hygiene to healthcare centres in Mozambique and around the world. Try some of our festive fundraising ideas this Christmas!

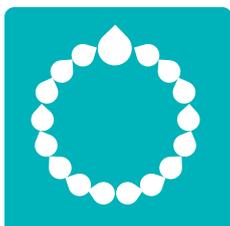

Bauble decorating competition

Organise a bauble decorating competition and ask for a small donation to enter, with the winner receiving a prize.

Christmas feast

Hold a supper where attendants bring different, home-made dishes to share. You can organise it around a theme too (e.g. a curry, fish or soup night). Ask for a donation to attend.

Christmas wreaths

Invite members of your congregation for a crafty afternoon making and decorating Christmas wreaths. Ask for a donation to participate or offer the wreaths for sale at your Christmas fayre. You can make/decorate your own candles too!

Sing for water

Hold a carol concert and ask guests for a donation to attend in support of WaterAid.

Film night

Organise a Christmas film afternoon or evening. Show a family friendly festive film and get ready with lots of popcorn and hot drinks. Sell tickets in advance or ask for a donation for the snacks and drinks.

Add it on

For a quick and easy fundraiser, ask your congregation members to keep 50p aside for each Christmas gift they buy, to help us give the greatest gift of all – clean water.
